News!

Interesting One-Day District Convention On March 16!!

More information and education and less pomp and circumstance is the motto for our Lions Conventions in Iowa these days, a change welcomed by many Lions and Lions Leaders alike. Another change for our upcoming District 9NW Convention is our new venue: Jefferson Lions Club is our hosting club for the first time. Way to go!

So, please make a note in your calendars or in your smart phones to come to Jefferson on Saturday, **March 16, 2019** for an interesting one-day convention. The registration form is attached to this Newsflash and the cost is only \$20.00 so send in the form and your check today!

Our guest of honor and main speaker is International Director **Steve Thornton** from Ohio, a highly respected and dynamic speaker who was elected at the recent International Convention in Las Vegas. ID Thornton is a retired Chief of Police from the City of Wooster, OH and has been involved with Drug Enforcement and much more. An interesting guy!

Iowa Peace Poster Winner Announced

The results of the annual Iowa Lions Peace Poster Contest were announced at the recent Midwinter Conference in Des Moines and the winning entry this year came from District NC (North Central). The winning poster in our District 9NW was from Boone (pictured to the left) and was clearly a better entry in the judgement of this editor; however the MD9 State leadership apparently thought otherwise.

Our District Governor **Tim Wilson** is visiting with our clubs and recently had a great time with the **Hartley Lions Club**. The Hartley Lions have a big pancake feed on **February 3rd** and all are welcome! DG Tim will honor the **Akron Lions Club** with his presence on **February 5**. The **Madrid Lions** have their Pancake Breakfast on **February 23**, all you can eat!
